Subject: Meeting in NY

Dear Sender,

Moadim Lesimcha, I hope all is well with you and your family.

Firstly, I would like to thank both you and Mr. Barak (whom I have copied on this message), for dedicating your time in relation to Intelligo Group.

I would very much appreciate the opportunity to meet with you in NYC and present our capabilities and services. In our meetings with investors and clients,

there has been a high level of enthusiasm for our product and our research and analysis capabilities. I am confident you will share this level of enthusiasm following our meeting.

This meeting is my highest professional priority, However I am unable to commit myself to a precise date since my wife is in pre-labor having entered her final week of pregnancy. If it's OK by you, immediately after my wife gives birth I will be in communication with you to schedule a meeting at your earliest convenience.

Thank you very much for your interest and understanding.

In appreciation,

Shlomo
